EXPERIENCE

OnSiteDecals, Stafford, TX — *Art Manager*

April 2023 - Current

Oversees a team of artists and personally quality checked their display/production art for emergency/law enforcement fleets.

Created and modified designs for both display and production using SAi Flexi and Adobe Illustrator.

Ensured original designs could be produced and installed with ease on PPVs, ambulances, helicopters, boats, etc.

Managed art team in an extremely timely and professional manner, keeping turnaround short.

Signarama, Katy, TX — Graphic *Designer/Production Asst.*

January 2022 - April 2023

Consulted with customers in person and electronically regarding designs and revisions.

Created and modified designs using SAi Flexi, SAi Production Manager, and Adobe Illustrator.

Created mock-up proofs for customer's viewing and approval.

Handled production of signage including printing, plotting, and applying to various substrates.

Big Frog, Katy, TX — *Graphic Design Artist*

June 2021 - December 2021

Consulted with customers in person and electronically regarding designs, pricing, and process.

Created designs using Adobe Illustrator to print and apply on shirts, jackets, towels, etc.

Created mock-up proofs for customer's viewing and approval.
Priced and checked out customers using a POS system.
Handled production of goods using multiple printing processes including DTG, DTF, and Vinyl.
